FOCUS
ON TASTE

Our baked goods are made with real butter and are laminated, bringing puff pastry's flaky elegance to each item we create. We focus on taste and only use clean, simple ingredients — like dark chocolate chips and Wild Maine Blueberries. A tasty way to enjoy fresh pastries at home, in thirty minutes or less!

OUR STORY

Our baked goods were created many years ago in the kitchen of the Robinhood Meetinghouse, the Gagne family's restaurant in Georgetown, Maine. We've outgrown the restaurant business and today Gagne Foods operates a frozen foods manufacturing company in Bath. We are still making the same Cream Cheese Biscuits we served so many years ago and are proud to employ 45 Maine citizens. We believe in clean, simple, real food that delivers on taste and have held true to our values.
